<b>Product(s)</b>	KraftPak® paperboard
<b>Manufacturing Location</b>	WestRock Charleston Mill North Charleston, SC

---

**Perfluorinated chemicals**

The above listed WestRock paperboard product is not produced with intentionally added perfluoroalkyl substances (PFAS) or perfluorinated chemicals (PFC) for grease resistance. This includes substances known to contain or degrade to form perfluorooctanoic acid (PFOA) or perfluorooctyl sulfonate (PFOS), which are no longer permitted by the US FDA. Fluorinated substances can be naturally occurring, have widespread industrial use and are ubiquitous in the environment and may be present in trace quantities.

---

*This determination is based upon information available as of the date of this submission, which primarily includes component supplier disclosures and Safety Data Sheets (SDSs). It may also include technical data sheets; any additional information provided by suppliers; testing, if applicable and available; and/or general industry knowledge. The above listed materials may be naturally occurring elements or compounds or are ubiquitous in the environment and may be present in trace quantities. WestRock does not conduct testing for all the listed compounds.*

*This letter applies to the materials listed above as shipped and as of the date of shipment. This statement does not alter, amend, supersede or in any way affect WestRock's Terms and Conditions, and/or any other written contractual commitments between the parties.*
